**In This Novel a Young Child Imagines What It Is like to Meet God**

*ME*, a new book by Carol Muia, has been released by RoseDog Books.

*ME* is the story of a curious young child who sets out to discover how he came to be. Through his imagination, *ME* takes a journey through God's mind. He makes friends along the way, has exciting adventures, and makes many wonderful discoveries about God's personal creation and care of each one of His children. As we learn in Jeremiah 1:5, "Before I made you in your mother's womb, I knew you. Before you were born, I chose you for a special work."

## **About the Author**

Having been raised in rural Indiana surrounded by cows, goats, cats, and dogs birthing daily, Carol Muia grew up with a natural awareness of the bond between a mother and baby and this beautiful aspect of life.

Carol was neither an author nor an artist until an accident took one of her daughters who had been an artist. It was then that she started to "mess about" with her daughter's paints in an attempt to regain a connection with her. As she struggled with paint blobs on paper, she began to see images that set her creativity into motion and deepened her relationship with God. God sent His thoughts to Carol to guide and comfort her. It was then that she fully realized how all lives come from a God who thoughtfully and personally created and knows you and *ME*.

*ME* is a 48-page hardcover with a retail price of \$26.00. The ISBN is 978-1-4809-7606-1. It was published by RoseDog Books of Pittsburgh, Pennsylvania.
