In This Book a Person of Faith Shares Her Life Experiences

A Soul Answered, a new book by Daisy Lopez, has been released by RoseDog Books.

A Soul Answered is a book of five episodes; five real experiences where an answer to the question “Were You There?” was received in a unique manner. The author wishes that people will keenly open their eyes, ears, and heart to get the answers to their own question. When they do, the author urges them to share that unique experience.

Were you there? Listen and a soul may answer you. Or, for those who have faith, is it God Who answered?
