

Tahlequah, OK Author Publishes Spiritual Mysticism Book

This Book is a Guide to Christian Mysticism

Cosmic Mysteries: The Elusive Path within Christianity, a new book by Carol E. Parrish-Harra, has been released by Dorrance Publishing Co., Inc.

In her newest book, *Cosmic Mysteries*, author Carol E. Parrish-Harra provides deep insights for the exploration of the inner path that can only be detailed by the one who has gleaned awareness through a personal journal. Carol's work has long been noted for clarity and the details of the path dreamed of by many and traveled by the few. Mysticism within the Occult Tradition is held close, realizing how delicately balanced it is.

With many years of esoteric studies, Carol shares her understanding of invisible qualities to be explored and the tests each element—Fire, Air, Water, and Earth—presents to be mastered as they are integrated into human life. The importance of daily mindfulness prepares us to move ourselves into the Christ Mind, brought about by both our choices and Karma as we go forward with little awareness in life.
