

**Redding, CA Author Publishes Adventurous Medical Book**

**This Book Tells the Tales of a Surgeon Who Enjoys His Time On Horseback**

*Cowboy and Surgeon*, a new book Bill Howlan, M.D., has been released by Dorrance Publishing Co., Inc.

Bill Magladry wasn't your average surgeon. Growing up on horseback, this American cowboy's adventures took him through our country's wildest national parks throughout the Sierra Nevada mountain range. Attending medical school via the U.S. Army during World War II, Dr. Magladry continued his wild adventures on a different frontier.

*Cowboy and Surgeon* shares the wonderful tales of Dr. Magladry's adventures treating patients at the dawn of antibiotics, finding balance on understaffed Native American Reservations, and roping cattle during his downtime.

**About the Author:**

Bill Howland, M.D. is a retired orthopedic surgeon living in California with his wife, children, grandchildren, and great-grandchildren. Throughout his twenty-eight years of surgical practice, Dr. Howland traveled domestically and internationally. Dr. Howland grew up in western Massachusetts and served in the U.S. Army for over seven years, spending time in hospitals throughout the country and Europe before settling into his practice in Redding, California. He was fascinated by the life of local surgeon Bill Magladry and wrote this book to share those adventures with the world.

*Cowboy and Surgeon* is a 68-page paperback with a retail price of \$20.00. The ISBN is 978-1-4809-4358-2. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
