This Book is a Guide to Building a Legacy of Leadership in Business

Dimensions of Leadership, a new book by Dr. John Henry Danley Jr. Ed.D, has been released by Dorrance Publishing Co., Inc.

Dr. John Henry Danley Jr. Ed.D is an executive and author. Dr. Danley is an accomplished Senior Executive and Thought Leader, with demonstrated success across both automotive and aerospace and defense industries. He comes with 25 years of experience in executive roles and knows how to leverage this extensive experience and expertise to provide companies value. Dr. Danley is not only a great asset for automotive and aerospace companies of all sizes, but for any organization where managing the P&L's for increased profit and growth or business turnaround is needed. He attributes his success to enabling and empowering others to drive change through leadership courage, belief, and influence. With his extensive experience and training, he can quickly assess the health of any business and determine appropriate continuous improvement strategies. His expertise encompasses change management, organizational transformation, building high performance teams, executive coaching, driving organic growth, and scaling up businesses to improve cost and profitability expectations. He considers his greatest strength to be empowering others to achieve their significance by creating an inclusive environment.

Dr. Danley holds a BA in Political Science from Carthage College, a Master of Science Management from Colorado Technical University, and a Doctoral Degree in Organizational Leadership from Argosy University. He is a Gallup Certified Coach, Lean Practitioner, and has completed an Executive Leadership Certification from Washington University.
