**In This Fantasy Novel a Young Girl is Chosen to be an Evil Sorcerer's Apprentice**

*Dragons, Kings, and the Blazing Slicklizzard Heart Trees*, a new book by Lynn A. Dalton, has been released by Dorrance Publishing Co., Inc.

*Dragons, Kings, and the Blazing Slicklizzard Heart Trees* is a fast-paced story about a sweet, immature, and unhappy girl who has been mistakenly displaced in modern times when she should be Lady Grace of ancient times. Grace can only get into ancient times through the magical assistance of the Blazing Slicklizzard Heart Tree. The Heart Tree's help is not free. Each being the Heart Tree assists must have evil in their heart, and the being must pay for the Heart Tree's assistance by accomplishing blood sacrifices.

Grace is selected to be an apprentice to an evil sorcerer, Belgand the Magnificent, so she may obtain evil in her heart and succeed in her quest to become Lady Grace. During her long journey, Grace finds out that she will eventually become the most feared High Sorceress ever to have lived in ancient times. Grace's personal battle continues between becoming Lady Grace or remaining the High Sorceress of the Norwegian realm.

To protect the Scindinvian realm, Goldendere the Great creates two Black Magic Draco Ice Dragons. The dragons become the most sought-after method of fighting battle engagements, especially when there is a High Sorcerer or High Sorceress upon their backs.
