

Rancho Cordova, CA Author Publishes Exotic Dancer Memoir

In This Memoir a Woman Looks Back at Her Life as an Exotic Dancer

Emotional Hustler, a new book by Lola Wantz, has been released by Dorrance Publishing Co., Inc.

Emotional Hustler exposes all of the bad behaviors and ill-natured traits of typical emotional hustlers you might meet at a strip club. Lola Wantz is a victim who used the bad traits taught to her by her predator while she was growing up. She has had a wild and crazy life, but never has she chosen to sell her dignity or self-respect for any financial gain—she walked away from that lifestyle before she saw it consume the girls who stayed in it.

Some dancers turn to prostitution, which is now rampant. What is worse is women are glamorizing that fast-cash lifestyle. This is an epidemic now, and Lola wants to talk about it.

About the Author

Lola Wantz was in her early twenties when she started writing her feelings down on paper. She realized it was a book that she was creating when she was about twenty-six. She was dancing at the time and realized she was causing some of the character traits that she was writing about. She wanted to publish her book back then, but she's glad that didn't happen—it wasn't ready. Lola now feels like it's her duty to educate people on these traits, which are unfavorable, and unfortunately they are making good traits extinct.

Emotional Hustler is an 84-page paperback with a retail price of \$11.00. The ISBN is 978-1-4809-4796-2. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
