

College Station, TX Author Publishes Children's Book

In This Kids Book a Little Girl Goes Fishing

Girls Don't Fish, a new book by Holly Page Moon, has been released by Dorrance Publishing Co., Inc.

Who says girls don't fish? This girl certainly does! When Dad asks if she wants to tag along on a fishing trip, she of course says "yes!" In the morning, she gets up bright and early to head to the lake. They get a great spot—but will she catch anything?

By the end of the trip, she proves that girls do fish! Sometimes they even catch dinner!

About the Author

Holly Page Moon has always loved the outdoors. As a child, she fished with her father and continues to take fishing trips with her husband. She works in early childhood education and lives in Texas.
