I Messed Up, But the Church Let Me Down, a new book by Erroll J. Sweat, has been released by Dorrance Publishing Co., Inc.

My name is Erroll J. Sweat and I was born in Six Ward of Houston, TX., and am a Design Engineer for a company that serves the Oil and Gas Industry. Over the past 15 years I have been reverse engineering OEM parts and I love the wide range of skill-sets that accompanies it.

I'm actively involved in both my church and my home community, where I serve others with a glad hands and a godly heart. One of my greatest physical passions is playing golf with my friends on a regular basis.

Roslin and Jaylin have been a great support system and they have cheered me along the way. I could not be all that I have longed to become without their love and prayer investments.

I'm becoming an inspiring writer and long to build a portfolio with a number of additional reads to come. "*I Messed Up, But the Church Let Me Down*" is my first, but it won't be my last. Currently, I'm contemplating two additional books entitled, "Parallel Love Lanes" and "What's Your Score in The Game of Life?" respectively. One chronicles a true to life story of two marriages as one is manufactured by man and the other is managed by his Maker. The other takes a page out of the game of golf and parallels it to life

I Messed Up, But the Church Let Me Down is a 150-page paperback with a retail price of \$14.00. The ISBN is 978-1-4809-5642-1. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
