

Centereach, NY Author Publishes Children's Book

In This Kids Book a Baby that Has Yet To Be Born Hears the Family Awaiting Her Arrival

Inside Mommy's Tummy, a new book by Beth Rosiello, has been released by Dorrance Publishing Co., Inc.

Baby is growing in Mommy's tummy! She hears the voices of her mommy and daddy and big brother, Sean—plus the barking of little puppy Diesel. She listens as the family holds a party to say "It's a Girl!" And then she's off to the hospital with Mommy and Daddy to finally be born and welcomed into the world by her family.

Inspired by the birth of her granddaughter Brianna, Beth Rosiello's book is a charming story of love and family, from the point of view of the baby on the way.
