About the Author

While writing *The Latin Penny President*, author Z'AN Artiest has learned more about diversity, character building, risk/reward, and all the hard work and homework of late-night graduates with lots of note taking, all which helped form the cornerstone of becoming a better person every day than he ever believed he could have. Amidst all of these things is the character of life, and that is something that as an author he would look to acquaint more with the reader, as well as himself.

The Latin Penny President is a 160-page paperback with a retail price of \$14.00. The ISBN is 978-1-4809-5715-2. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
