#### **This Kids Book Shows the Special Bond between a Grandmother and Granddaughter**

*Lauren and Her Nommy*, a new book by Caroline Bivins Gunn, has been released by RoseDog Books.

In this heartfelt, beautifully illustrated book, Caroline Bivins Gunn shows that special love between a grandmother and granddaughter. This is a “read it to me again” book. Gunn has always had the desire to write and publish her family-inspired stories. Grandmothers are that special gift that every family needs. This is a book that every little girl can enjoy.

Sometimes, children can't always pronounce words correctly, but what they do say is comical and sweet. This is what happened with Gunn's her little granddaughter, Lauren. At the age of two, she tried to say grandmother, but out came “Nommy” and Gunn has been Nommy ever since. Every little girl can call her grandmother “Nommy” because “Nommy” simply means grandmother – you are special to me!

This book captures the personality of an innocent little girl full of affection, happiness, and humor. This little book will help us recapture those special times with a grandmother
