This Published Screenplay Tackles the Subject of Sexual Assault

Look the Other Way, a new book by Michael Mohan Joshua and Patrick Foley, has been released by RoseDog Books.

Look the Other Way is a passion project between native Michigan screenwriters Michael Mohan Joshua and Patrick Foley over a three-month period in 2003. Over the years, Joshua has kept editing the story into what it is today, a snapshot of modern society. Daily news of sexual assault is prevalent throughout society. No longer can we as a global community look the other way. Through education and communication, citizens can change the norms of “bad behavior.”
