About the Author

JJ Perry completed cardiology training in the early 1980s as the field began to explode with advances. He acquired a very broad skill set in his career, which has made him desirable in smaller cities where such variety is appreciated. His second, current, and permanent wife has, as a nurse, seen him at work and has heard a few of the thousands of expressions of gratitude for saving a life. She has also seen, up close and personal, the toll that a career in high-stress medicine extracts, something he has tried to convey in this story.

Along with *Malpractice*, Perry has also authored *Between Love and Money* and *REAP 23*.

Malpractice is a 274-page paperback with a retail price of \$19.00. The ISBN is 978-1-4809-8977-1. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
