In This Kids Book the Moon Helps a Little Girl Fall Asleep

Meggie's Moon, a new book by Jordan Layne, has been released by Dorrance Publishing Co., Inc.

When Meggie and her doll, Sara, go to bed each night, Sara falls asleep right away, but Meggie isn't so lucky. She feels lonely lying in bed in her quiet house while Mommy, Daddy, and Sara sleep, so one night her daddy opens her window and shows her the moon. He explains Jesus hung the moon for them and is always watching over her. Meggie realizes she is never alone and can go to sleep peacefully.
