

Grove, TX Author Publishes Novel

This Novel is an Alternate and Exciting Retelling of Greek Mythology

Mystique Melodies, a new book by V. I. Porter, has been released by Dorrance Publishing Co., Inc.

Greek mythology tells the story of Orpheus, son of Calliope, and his love for Eurydice. But what if that isn't the true story? What if there's more?

In *Mystique Melodies*, V. I. Porter takes the familiar Greek myths and provides a new twist to the stories. Through his work, Porter uses the classic tales to create a larger focus on honesty, values, love, and commitment. With the story of Orpheus as the framework, Porter brings his own words to drive home a crucial point: let go of self-doubt. As Porter weaves his tale, readers are left to wonder about the mythology they thought they knew and what could have been.
