In This Novel a Former Government Agent Uncovers a Drug Cartel in Mexico

Mexican Marimbas, a new book by Chloe Ryan Winston, has been released by Dorrance Publishing Co., Inc.

Briana Fraser, former courier for a U.S. intelligence agency, is at it again with her trio of comrades in arms: Derry, Jude, and the mysterious professor-cum-spy Mr. Phillips. This time, the group is headed south of the border again, investigating the sinister activities of Joaquín “El Chapo” Guzmán and the Mexican drug cartels. Far from the safety and serenity of her Let’s Travel shop in Ashland, Oregon, Briana finds herself in thick of a plot to take down the kingpins of the cartels—but is she at the center of the action, or simply a decoy for another team of spies? Set against the beautiful scenery of Mexico’s historic border towns, *Mexican Marimbas* is the fifth Briana Fraser adventure—one that takes her right into the heart of danger.
