In This Memoir a Woman Remembers Growing Up on the Prairie in Middle America

Movin' on and Beyond, a new book by Betty Brown, has been released by Dorrance Publishing Co., Inc.

Movin' on and Beyond is an autobiography portraying an American girl born on the prairie in the middle of the United States to hardworking, untutored, steadfast parents and immigrant grandparents. It tells of her experiences growing up, marriage, raising a family, employment, divorce, remarriage, travels and sickness.

Through her determination, integrity and courage, she became a strong-willed, independent thinker. Challenges only made her stronger, setbacks made her determined. Her strength comes from her father, personal endurance from her mother.

This book is intended for family reading to educate young & old. Make your journey through life a courageous one, keeping focused. Honor events of those that came before us and those who come after us. I have heard it said, the road to success is not straight. There is a curve called failure, a loop called confusion, speed bumps called faith and a driver called Jesus who leads you to a place called success.

Movin' on and Beyond is a 134-page paperback with a retail price of \$13.00. The ISBN is 978-1-4809-8296-3. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
