**About the Author**

Muggs K Dewar is an eighty-eight-year-old with a very interesting and adventurous life story. As a teenager, not only did he catch diphtheria, but Muggs also experienced the bombings in Surrey, in the south of England, while on the way to choir practice.

In the mid-1940s, Muggs joined the Royal Navy and spent much of his time at HMS Heron, a premier fleet air base. During this time, he met the love of his life and has been married to her for more than sixty years!

Muggs found himself drawn to the sea, holding careers in both the UK and Greece. Muggs and his wife purchased a Ginn Fizz—not the drink, but large yacht—and sailed to the south of France where they reside today.
