In This Novel a Simple Vacation Turns into a Reality Bending Trip of Self-Discovery

Mystic Dreamer, a new book by T. L. Samson, has been released by Dorrance Publishing Co., Inc.

Reality is what we believe it to be and, sometimes, it is what we choose it to be. What appears to be an impromptu vacation becomes a personal journey that leaves the reader wondering which reality is true and which reality they would choose if they could. Based on actual events, *Mystic Dreamer* was, in part, inspired by the author's sister-in-law and her native roots as an Apache descendant.

T. L. Samson interweaves Apache lore, spirit animals, and mystical intrigue that guides and fascinates the characters and takes them on a magical journey to self-discovery, leading them to a final epic destination.
