This Book is Filled with Stunning Poetry that Creates Images in the Mind

My Tears Are in Your Hands, a new book by Tia Mitchell, has been released by Dorrance Publishing Co., Inc.

The beauty of poetry can be observed in the way that the poet can encapsulate his thoughts, anguish or feelings, or observations and ruminations on just about any subject and in just a few words.

In the case of *My Tears Are in Your Hands* by Tia Mitchell, the lines trick the mind to conjure images, not words, of persistent sighs upon reflection on some familiar despair coexistent with the human situation.

Neither sullen nor defeatist, *My Tears Are in Your Hands* is a quiet nudge to those fleeting moments of reflection when we come to bear the brunt of the vexing complexities of the world. More than anything, it is an acknowledgment of the mysterious, ever-persistent creative prowess in man, under any condition.
