This Book Details the History and Mythology of Religion and the Concept of God

Mythmakers: The Mythology of Religion and God, a new book by Alfred H. Lotring, has been released by Dorrance Publishing Co., Inc.

From the author: “This text deals with a subject that has concerned me since I received my very own copy of the Holy Bible from my Sunday school teacher as a Christmas present on 25 December 1945. I was twelve years old and as read the first book of the Old Testament, Genesis, I started to question the credibility of what I was reading. That curiosity about God and religion has persisted throughout my life and I am grateful for the historical information contained in the numerous manuscripts available in the public domain as well as the conversations I have had over the years with priests, ministers, and rabbis.”

Mythmakers: The Mythology of Religion and God is a 60-page paperback with a retail price of \$19.00. The ISBN is 978-1-6453-0643-6. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
