

Doylestown, OH Author Publishes Memoir of Entrepreneurship

In This Memoir a Successful Entrepreneur Tells How He Created a Company Based on His Own Creation

Poker, Knives and Temporary Tattoos, a new book by Dan Waller, has been released by Dorrance Publishing Co., Inc.

Poker, knives and temporary tattoos: far more than a list of three seemingly random items. Instead, they are three footnotes in a larger story about the creation of 'Game Faces,' which has changed fanfare in college athletics as we know it.

Dan Waller's honesty and admission of his obvious struggles throughout his professional journey make this a refreshing read, rather than a list of entrepreneurial accomplishments. Waller appreciates the difficulty in what he accomplished. His dedication to his own character development should provide hope to any who have a similar mission.
