**About the Author**

Santiago's most cherished desire is to be a catalyst to ignite a worldwide end time revival and to go into as many countries as the Lord permits to conduct pastor's conferences and to write a sequel to this treatise as the Lord continues to reveal His desire to up-lift (rapture) us from this present fallen, evil world. This is his passion and why the Lord sent him back to earth from a near-death experience when He said to him "go back to your wife and children." His wife being the church and his children being the children of God he has written this message to. This is the only reason he still exists in this present fallen world, his true and only purpose in life. He is fully expecting that he, as many of us, will soon hear the words spoken by our Heavenly Father, God: "Well done, good and faithful servant."
