In This Kids Book a Dog Visits a Lake and Finds Jesus

The Heart Adventures with PuppyGirl: The Lake, a new book by Barbara A. Johns, has been released by Dorrance Publishing Co., Inc.

PuppyGirl and her BigBestFriend like visiting their favorite lake. The lake is surrounded by colorful trees that sparkle on the clear water. As they walk on the path around the lake, it turns into a heart adventure where they meet JesusSaviorFriend. Together they learn about the beauty of Creation that comes from God's own heart.

Heart Adventures with PuppyGirl: The Lake is the first book in a series written to promote a "together life" between children and their "BigBestFriend." The author's goal is to make sure children know that Jesus is with them all the time, every day, ready to share His love and grace.
