

Port Orchard, WA Author Publishes Religious Book

In This Book a Career Missionary Speaks of True Faith and Religion

River of God, a new book by Dr. Ron Boehme, has been released by Dorrance Publishing Co., Inc.

You hold in your hand what might be the clearest book on religion ever written. It proposes that five basic views of God exist in the world—not dozens. Four of these religions are partly true, but contain distortions—like misguided distributaries off a river. These errant streams are all similar—based on fear and good works. However, the River of God—the eternal source of truth about the Almighty—is different. It operates by trust and love and is based on grace.

Want to find true faith or religion? It's found in a Person Who is Himself the River of God.
