**In This Kids Book a Seed Tries to Find a Home**

*A Seed of Change*, a new book by Melinda JD Hall, has been released by Dorrance Publishing Co., Inc.

*A Seed of Change* reminds us that in a world that is often poisoned by war and sadness, it is up to us to spread our seeds. We can learn to end the “me” and be the “we.”

**About the Author**

Melinda JD Hall and her husband of over two decades have raised many children. She has adopted a philosophy that all children are our children to reinvent the “village” concept of family and community.

Melinda’s husband was diagnosed with Stage 4 Angiosarcoma in 2017. His diagnosis is terminal as there is currently no cure. The Halls encourage donations to Angiosarcoma Awareness, Inc at [www.cureasc.org](http://www.cureasc.org).

Art and writing are Melinda’s personal release valve and income. Her art is available via Uriel’s Uniquities on Facebook and Etsy. Look for more seeds to come!
