In This Science Fiction Novel Four Friends Go on an Adventure of a Lifetime

Shipworld, a new book by Theresa Vanay, has been released by Dorrance Publishing Co., Inc.

Corbin suddenly felt the hair on the back of his neck rise up. He had a bad feeling. He looked over his left shoulder to peer at the very dark and ominous clouds looming low in the sky to the north.

He couldn't help but to feel the fear of the very bad things which he knew three worlds were about to face. He decided at that moment, that was for tomorrow. He decided to have his game of football today. Corbin and friends with fear in their hearts know the day of grown-up times is upon them. Four friends would put all they could into this game, knowing that the day of childhood games would be over after this day. It is up to each of them to save their worlds.
