**This Book of Poetry is Filled with Inspiration and Enlightenment**

*Soul Inspirations*, a new book by Lauri Florentine Howell, has been released by Dorrance Publishing Co., Inc.

*Soul Inspirations* is a book that strives to show people that there is much more to life than we see. If we open our minds, while quieting them at the same time, you will hear the universe speak. But you have to be ready to listen.

Life throws curveballs and it was many of these that inspired Lauri Florentine Howell to write each and every one down as a poem in 1998. The author hopes that readers find the poems inspirational and enlightening and that the stories connect with whomever they need to connect with, so that the reader leaves with a higher understanding of life and purpose.
