

Clementon, NJ Author Publishes Memoir

In This Memoir the Author Tells of His Neck Surgery and the Complications that Occurred Afterward

STOP Before You Have Surgery, a new book by Donald Donovan King, has been released by Dorrance Publishing Co., Inc.

Anytime a person hears that they must have surgery, minor or not, there is always an underlying fear. When Donald Donovan King learned he would need neck surgery, a same day procedure, he did not realize that his life would never be the same. The book provides the shocking and deeply disturbing true story of a doctor and hospital's negligence and irresponsibility that impacted his life.

About the Author

Donald Donovan King is a certified CDL driver from New Jersey with a successful taxi business. He enjoys music, football, and going to feed the ducks at the local pond. While in recovery, King likes experiences with other stroke survivors in a stroke group via Facebook.
