#### **About the Author**

Reverend Joi Karla Hubert is a reverend of the Christian background, with an emphasis on the Evangelical Movement in the United States and internationally. Reverend Joi's ideology mirrors that of the original Lutheran Church, stemming largely from land owner rights, and its ideas concerning the office of the Reverend. She also holds dearly to the ideas of the Baptist with the true placement of the church officials, being the deacon and the elder.

Finally, Reverend Hubert, also known as Hubee in the gospel music industry, is very fond of the outlook of the Pentecostal Church, due to its large emphasis on a Full Gospel teaching and leading variety; which includes the office of the priest, bishop, pastor, and deacon.
