

Dumfries, VA Author Publishes Second Novel in Science Fiction Series

This Novel Continues the Action and Romance Filled Sci-Fi Adventure Series

The Continuum Dealer: The Brethren, a new book by Robert Colling, has been released by Dorrance Publishing Co., Inc.

The second installment in *The Continuum Dealer* series kicks off with a greater intensity in Ethan's romantic relationships: Anna is pregnant and Ethan is fighting a gladiator-style match to undo Lee's slave status. The action and intrigue only increase from there, as the shadow group The Brethren increases its effort to eliminate The Continuum Dealer by any means possible.

As Ethan continues his mission to bring people their true names, he visits places he's never seen before, including the restricted Clone Island. True to the gripping pace of the first installment *Beginnings*, *The Continuum Dealer: The Brethren* is an electrifying adventure that readers will find hard to put down.
