### In This Kids Book a Special Chicken Shares his Gift with All

*The Christmas Chicken*, a new book by Nora A. Shipe, has been released by RoseDog Books.

There is something special about all animals and they each have their own personality. Nora A. Shipe has reflected this concept in her story *The Christmas Chicken*. The main character, Peepo, is a very special chicken. Her story shows how being special is a gift and that everyone – man or animal – should be treated with respect.

The author hopes that this and future books will inspire children of all ages to realize that everyone is different and have many great qualities. She also writes in hopes that we should never leave any stone unturned and enjoy life by living in the moment every day.

#### **About the Author**

Author Nora A. Shipe has loved writing for years. As a young teen she enjoyed writing stories for projects and even entered her stories in contests. The stories she wrote won many awards while in school. She always had a dream of writing a book and to have many people enjoy her stories. As she grew older, she continued to write personal journals, which has helped to enhance her writing skills.

Shipe lives in the beautiful mountains of the Shenandoah Valley in Woodstock, Virginia. When she is not creating new stories, she enjoys hiking in the mountains and spending time with her two children and five dogs. Shipe is a long-time animal lover and has had many different animals at her home, including llamas, horses, ducks, chickens, and goats. These animals have been the inspiration for most of her stories.

*The Christmas Chicken* is a 30-page paperback with a retail price of \$19.00. The ISBN is 978-1-4809-7105-9. It was published by RoseDog Books of Pittsburgh, Pennsylvania.
