

Winston Salem, NC Author Publishes Novel

In This Novel a Man is Forced to be Alone again after Years with His Wife

The Collection, a new book by John Bumiller III, has been released by Dorrance Publishing Co., Inc.

The woman at the heart of this novel was a chameleon. A character trait she shared with her husband Jim. They were a couple envied by others in public and celebrated together in private. It appeared effortless. Jim never fathomed being alone ever again, but suddenly he was forced to come up with something.
