In This Kids Book a Boy Learns How to Make the Right Decision

The Dinkadunk Tree and Me, a new book by Nancy Carroll Meyers, has been released by Dorrance Publishing Co., Inc.

Sometimes it's hard to resist temptation! In *The Dinkadunk Tree and Me*, the main character has been warned by his mother not to eat the fruit of the Dinkadunk Tree, but when his friends start munching away, he finds it hard to say no! Will he be able to heed his mother's warning and stay away from the Dinkadunk Tree?

Peer pressure and feeling good about yourself are what's most important when making the right decisions. Although it's sometimes difficult, making the right decision and going with your gut instinct is the best thing to do.
