

Dallas, TX Author Publishes Action Novel

In This Novel a Scientist Discovers the Secret to Immortality

The Divine Immortal, a new book by Chris Peckham, has been released by Dorrance Publishing Co., Inc.

Molecular biologist Kevin Jesme is devoted to his research – the extension of human life under the three pillars of exercise, nutrition and genetics. Until he stumbles upon an extraordinary discovery. He, and possibly the entirety of the human species, is naturally immortal. As he contemplates the key to unlocking immortality, he becomes the target of the beautiful and dangerous Blue, an agent of the secretive and powerful Ministry, an ancient organization charged with protecting the secret.

Forming an uneasy alliance, Blue brings Kevin into the Ministry. Drawn into a world of ancient grudges, new dangers and a prophecy he might fulfill, Kevin learns the secrets kept hidden throughout the ages and the sacrifices that must be made to live forever.

Exploring the intersection of science and religion, *The Divine Immortal* is an action-packed thriller.
