*The Good Driver*, a new book by Fichanfie DJ Nkwain Ngamfon, has been released by RoseDog Books.

Surmounting the challenges which always impose themselves on the way to success does not have an all-in-one formula. This book is meant to give one of the most practical solutions that a reader could ever have in the quest for achieving his or her goals.

In *The Good Driver*, the author relates life's journey and the accomplishment of goals to a driver who sets to ride the highway. There are so many kinds of drivers (people) along the highway (path to goal attainment), but it takes only the good driver to know how best to maneuver in order to arrive his destination safely and in time. The presentation is done in a concise yet detailed form that the reader easily finds relevance in retracing steps towards his or her life goals.
