In This Memoir a Woman Goes from a life of Negativity to Finding God

The Open Book: Unashamed, a new book by Elect Lady Fayette M. Howard Evangelist, has been released by Dorrance Publishing Co., Inc.

It's easy to get caught up in negative things in our everyday lives. Author Elect Lady Fayette M. Howard Evangelist got caught up in crime, drugs, and alcohol—all of which had an extremely negative effect on her and her family. After being lost in the cruel and dark world that was her life for such a long time, she finally found God—the only light and way to true happiness.

The Open Book is just that—no more secrets, no more lies, just the bittersweet truth. We may all learn something about the path to Jesus through Fayette's experiences—we just have to keep an open mind.
