In This Book Learn the Value of Spending Time with Your Loved Ones

The Perfect DAD Sings the Birthday Song!, a new book by Jerry, has been released by Dorrance Publishing Co., Inc.

Is there such a thing as the perfect dad? Oscar seems to think so. He tries his hardest to take care of all of his responsibilities, yet also spend time with his twins and his wife. But there just doesn't seem to be enough time in the day to get everything done!

Sometimes we are so busy with life that we forget what's really important. Read *The Perfect DAD Sings the Birthday Song!* as a reminder that material items are not nearly as important as the quality time you can spend with your loved ones.
