

Oklahoma City, OK Author Publishes Book about Auctioneers

In This Two-Book Collection Learn about the Life and Business of Auctioneers

The Public Cartel of Texas Auctioneers: Two Books in One, a new book by Charlie Jack Dean, has been released by Dorrance Publishing Co., Inc.

Once upon a time there was a Nice Church with a lot of nice people. Over time a problem developed. The Council of the Nice Church became pervasive in its effect (having control over people and events), yet nowhere in its responsibility (not being accountable or accepting blame). The Council's actions, its pattern and practice, made it particularly unapproachable and difficult to interact with. This made nice people feel left out and betrayed. The Nice Church also failed to adequately serve its community.

In *Two Books in One*, author Charlie Jack Dean presents to us auction material, which is based on facts about auctioneers and auction business, and also church material, which is based on his disillusion with churches, but not necessarily with religion itself.

The Public Cartel of Texas Auctioneers: Two Books in One is a 104-page paperback with a retail price of \$25.00. The ISBN is 978-1-4809-5856-2. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
