

Colorado Springs, CO Author Publishes Sci-Fi Novel

In This Novel a Man Finds Out Parallel Worlds Exist and Must Team Up with a Beautiful Stranger to Save Them All

The Pygmalion Plot, a new book by Timothy R. Wright, has been released by Dorrance Publishing Co., Inc.

Another average birthday for J.T. Brown, an average guy from Missouri. Average, that is, until a mysterious attack on the St. Louis Arch turns his world upside down. When he meets the strange and beautiful Cassandra Troy, he learns that there are other Earths beyond his own. Together with his old friend Eric—now a transdimensional peacekeeper in the employ of the otherworldly Baryls—he and a ragtag team of mages and warriors must band together to save a pair of missing wizards and prevent the destruction of not just one world, but all seven Earths, as the possibility of another universe-shattering Cataclysm looms.

An epic tale of fantasy and science fiction traversing multiple richly rendered worlds, *The Pygmalion Plot* is a page-turning adventure with magic and monsters and mystery unfolding at every turn. Drawing from the author's own experiences in the Army, it also explores the ethical conflict of when to get involved, when to disobey orders, when to act despite the consequences because it is the right thing to do.
