

Catskill, NY Author Publishes Children's Book

In This Kids Book Two Little Girls Celebrate Halloween and Friendship

The Witch Who Saved Halloween, a new book by Kimberly M. Hall, has been released by Dorrance Publishing Co., Inc.

Ella and Flora are happily excited it's Halloween, but one of them doesn't have a costume. Will they find a costume in time or will they have to cancel their only night of Halloween fun?

The Witch Who Saved Halloween is the author's first published children's book, a short story of her fond memories of Halloween. It is a celebration of long-lasting friendship; those which begin in our childhood and have survived throughout the years, because we learn to accept each other's characteristics. It is the stepping-stone for the building of "character" when children first question the meaning of cultural diversity and how it affects the roles in a friendship.

Also included are valuable safety tips to ensure a safe and enjoyable Halloween.

About the Author

Kimberly M. Hall grew up in a small village in southern New York State. In between taking college courses at the local community college, she began her career as a civil servant for a New York State government agency.

After twenty-four years of dedicated service, Kimberly resigned from her position as a human resources professional to fulfill her parental obligations full-time. Kimberly is the mother of three children. In her free time, she enjoys some of her favorite hobbies, such as writing and baking. Her future plans are to complete a Bachelor's Degree in English.

The Witch Who Saved Halloween is a 34-page paperback with a retail price of \$16.00. The ISBN is 978-1-4809-2750-6. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
