

Texas Author Publishes Book on the President

This Book is a Critical Analysis of the Current U.S. President

Donald Trump Explained, a new book by Mr. Jarvis, has been released by Dorrance Publishing Co., Inc.

Donald Trump has been a President unlike any other, siding with America's enemies, attacking our allies, throwing paper towels, giving away classified information, and frequently asking his administration to break U.S. law on his behalf. Experts have so far been baffled as to why Trump displays such unusual behaviors.

Donald Trump Explained answers why, applying the context of his disability to all of the administrative failings of the first two years of the Trump Presidency while exploring deeply Trump's past. Mr. Jarvis establishes that Autism has been fully evident throughout Trump's lifetime.
