Nigerian-born German Author Publishes Novel

This Novel is a Coming of Age Story about Two Brilliant Twin Children

“Ogbanje” *Twins and Other Stories*, a new book by Keemholems Ojei, has been released by RoseDog Books.

Ejime and Onyishi were born identical, and quite brilliant, twins. Their birth process was witnessed by their helpless, impoverished father in their sitting room. The twins survived, but their mother died just a few minutes after giving birth to them. This tragedy could have been a mirror of their mother’s nightmare a few nights before, in which she was in communication with her late father who laid a curse upon her.

The pretty twins grew up motherless under the tutelage of their father, Chris, and a maid. Their excellent results in pure sciences in their final high school exams catapulted them into the limelight from obscurity. They secured double scholarships from the state and federal government to study Electronics/Computer Engineering and Medicine respectively, in Cambridge University, Massachusetts, USA. But, by the impulse of man’s inhumanity to man, the influence of fate and what appeared like the “Ogbanje” spirit, wriggled out their ugly heads, and needed God’s urgent intervention. In this direction, the awkwardness of man’s wickedness to man dimmed a somewhat bright light.
