In This Historical Novel Two People from Different Backgrounds Fall Deeply In Love

A Trespassing Grasshopper, a new book by A.R. Weaver, has been released by Dorrance Publishing Co., Inc.

A Trespassing Grasshopper is a historical fiction adventure in which two impossible characters fall in love during a time when the “melting pot” of America was just beginning. The riots and political agendas of America’s past are woven through the storyline, giving readers insight into the cultural influences upon the America we know today.

Though racial profiling still echoes throughout our nation, *A Trespassing Grasshopper* illustrates how even in a world of differences we are connected to one another by the choices we make.
