In this sequel to *Gone Awry*, Colorado Bureau of Investigation agent David Harroswen and his wife, Althia “Tee,” get swept up in the mysteries while visiting Tee’s sister. As more and more people try to get their hands on the Weeping Friar, more and more deadly chaos erupts.

*The Mystery of the Weeping Friar* is an engaging thriller that will have you enjoying the creativity and beauty of the art world while being horrified with the murder and mayhem surrounding it. This is a story not just about the sinister people who will do anything to get what they want, but also of the dedicated law enforcement officers who are trying to put an end to their crimes.
