Charlotte, NC Author Publishes Spiritual Book

This Book of Wisdom was inspired by a Spiritual Awakening

Willy the Wave, a new book by William Boccalatte, as been released by RoseDog Books.

This story, *Willy the Wave*, was originally written for children. However, the more the author shared the story with adults, he discovered they, too, could learn some of the deeper aspects from the life of Willy. Therefore, the intent is to bring your mind to a child-like state and let Willy the Wave share some of his wisdom with you.

The fundamental purpose of this story is to reveal to you there is another sense of perception that we human beings can discover for ourselves.

Willy shows us when we quiet down our thinking we can experience the buzz of that eternal presence. Is not that what Jesus, Moses, Krishna, Gandhi, Mohammad, and others have tried to reveal to mankind?
