This Book is about Truly Loving God

Conceptual Controversy: Fantasy Shattered, a new book by Gilbert Lee Zeno, has been released by Dorrance Publishing Co., Inc.

In this literary work you will stop asking God “why.” We commit murder, rape, torture, embezzlement, drug abuse, fraud and every act of devilment that is known against God! How can this be when we say we love God? We need to quit lying, for it is for certain: Thy kingdom is not coming until Thy will be done in earth as it is in heaven!

The only way that will happen is if you quit asking “why” when you have committed the very evil you are asking deliverance from. Overstand what you say you understand. This is the only way to love God and bring His kingdom to earth.
